

Dear Program Directors,

Now that the Thanksgiving and the election (sigh) and the Match are behind us we can all focus on our programs and the APHMG meeting in the Spring!

Here are a few updates:

I am sure many of you are aware the match is complete and several programs remain unmatched. You are now able to recruit outside of the match. 36 programs registered for the match for 55 spots. 30 spots matched, 16 programs matched all their spots and 16 did not match at all and 4 filled half or more of their spots.

Recruiting outside of the match can only be done AFTER the match

I am writing to re-inform you of the All-In Policy. The All-in policy states that any program registering for the Match must attempt to fill all positions through the Match. As you know this was adopted at our Program Director's meeting in 2016. It is expected that all programs participate in the match and abide by the rules. Those programs who remain outside of the match and offer positions to candidates is not do not help promote our specialty.

This will also be posted on the APHMG website. Please plan to attend the APHMG meeting in Clearwater Florida. We plan to discuss this and other recruiting match details plus much more

Happy Holidays

Susan Klugman and Hope Northrup
For the Program Directors SIG of APHMG

Darrel Waggoner, M.D., President, APHMG (2015-2017) • University of Chicago, Department of Human Genetics, 5841 S Maryland Ave, Chicago, IL 60637 Tel: (773) 834-9110; Email: dwaggoner@genetics.uchicago.edu
